

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

This India map shows you the data of electricity consumption in 2019 according to states.

It shows you the data of electricity consumption in 2020 according to states.

By this you can compare the total consumption of electricity.

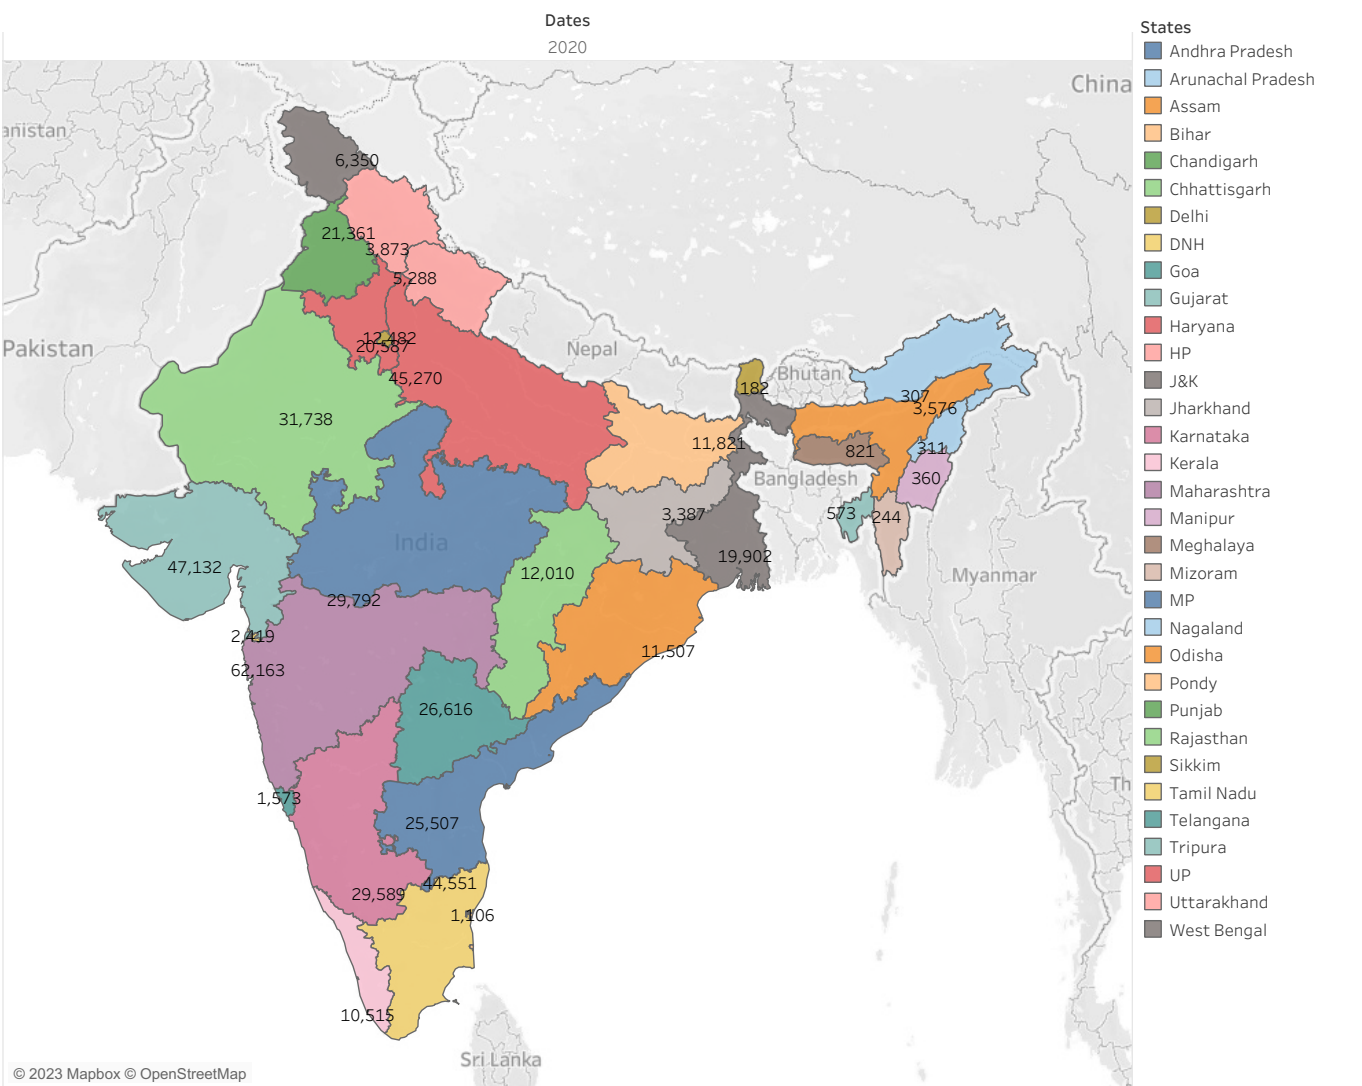

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

This India map shows you the data of electricity consumption in 2019 according to states.

It shows you the data of electricity consumption in 2020 according to states.

By this you can compare the total consumption of electricity.

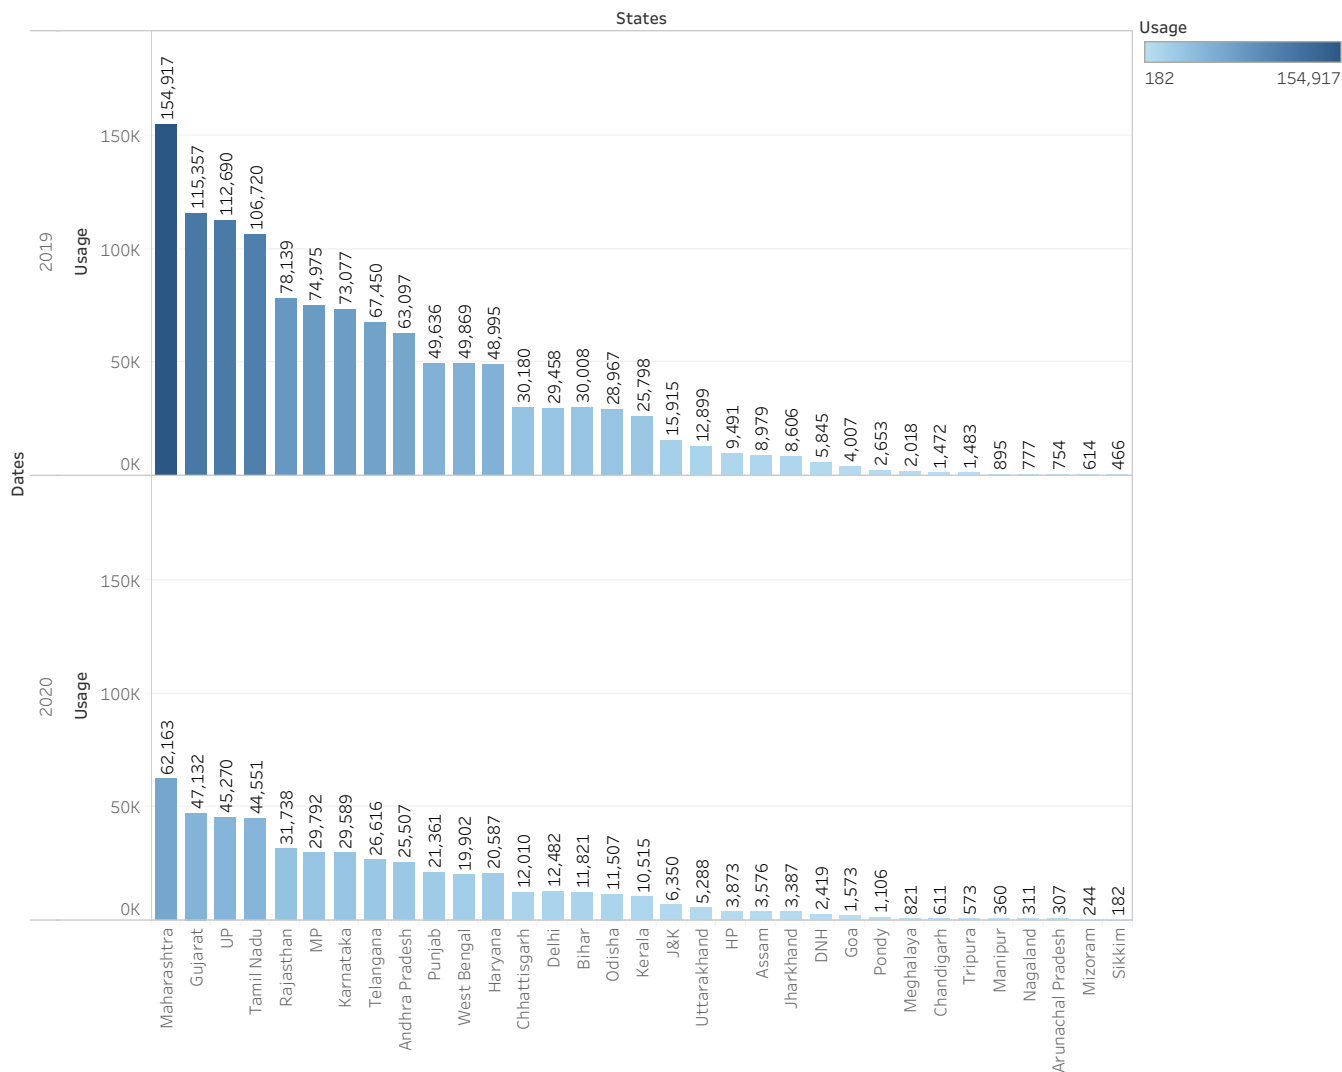

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

It shows you the data of electricity consumption in 2020 according to states.

By this you can compare the total consumption of electricity.

It shows you that the electricity consumption by Region.

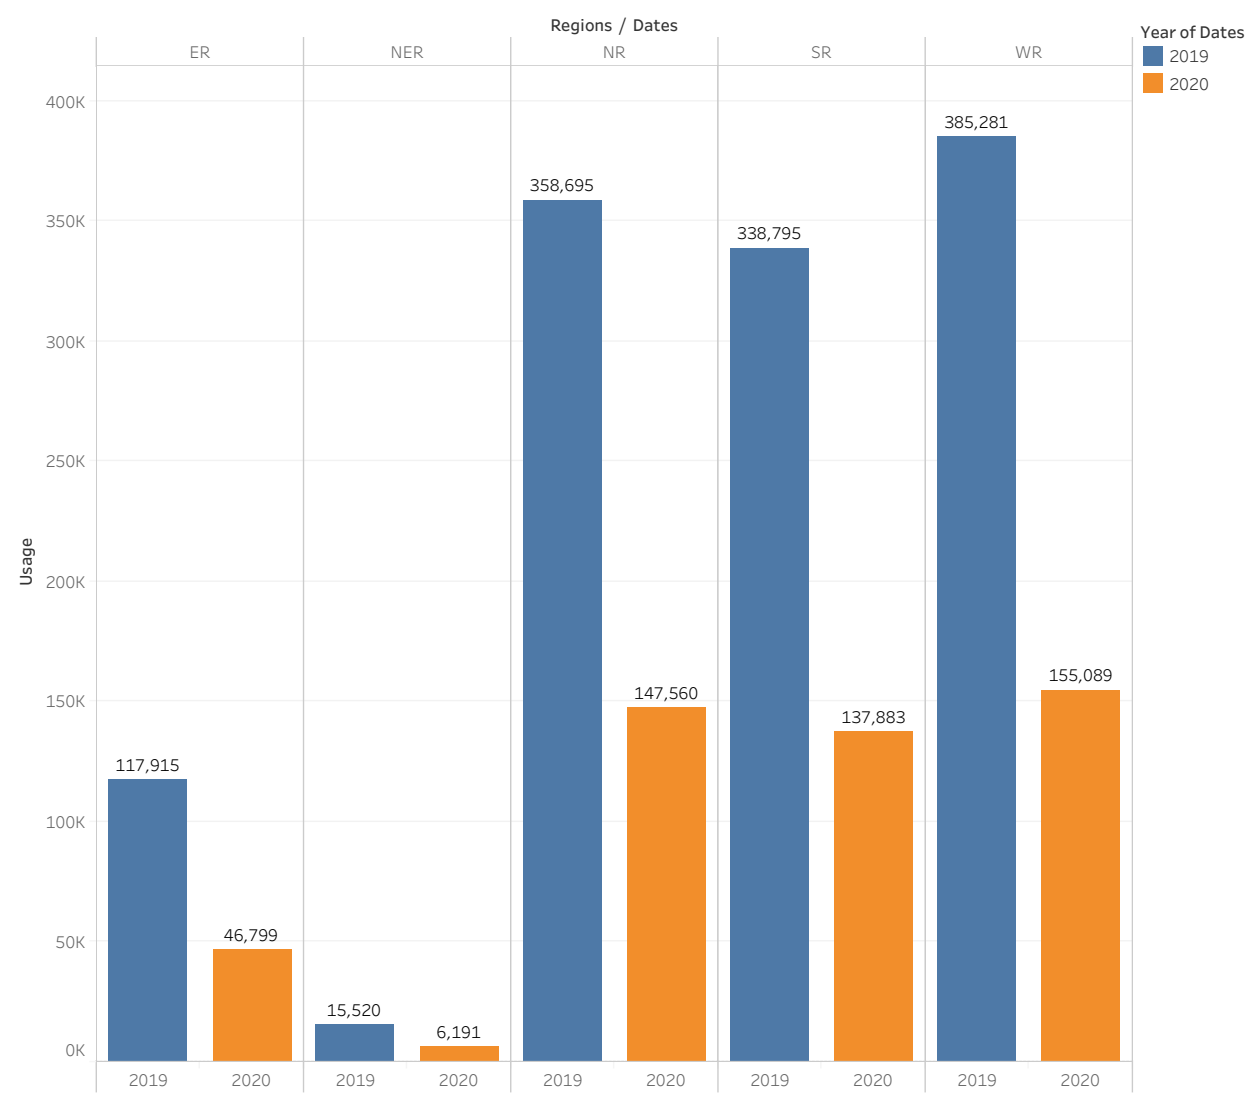

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

By this you can compair the total consumption of electricity.

It shows you that the electricity consumption by Region.

By this you can find out the top electricity consuming states in India.

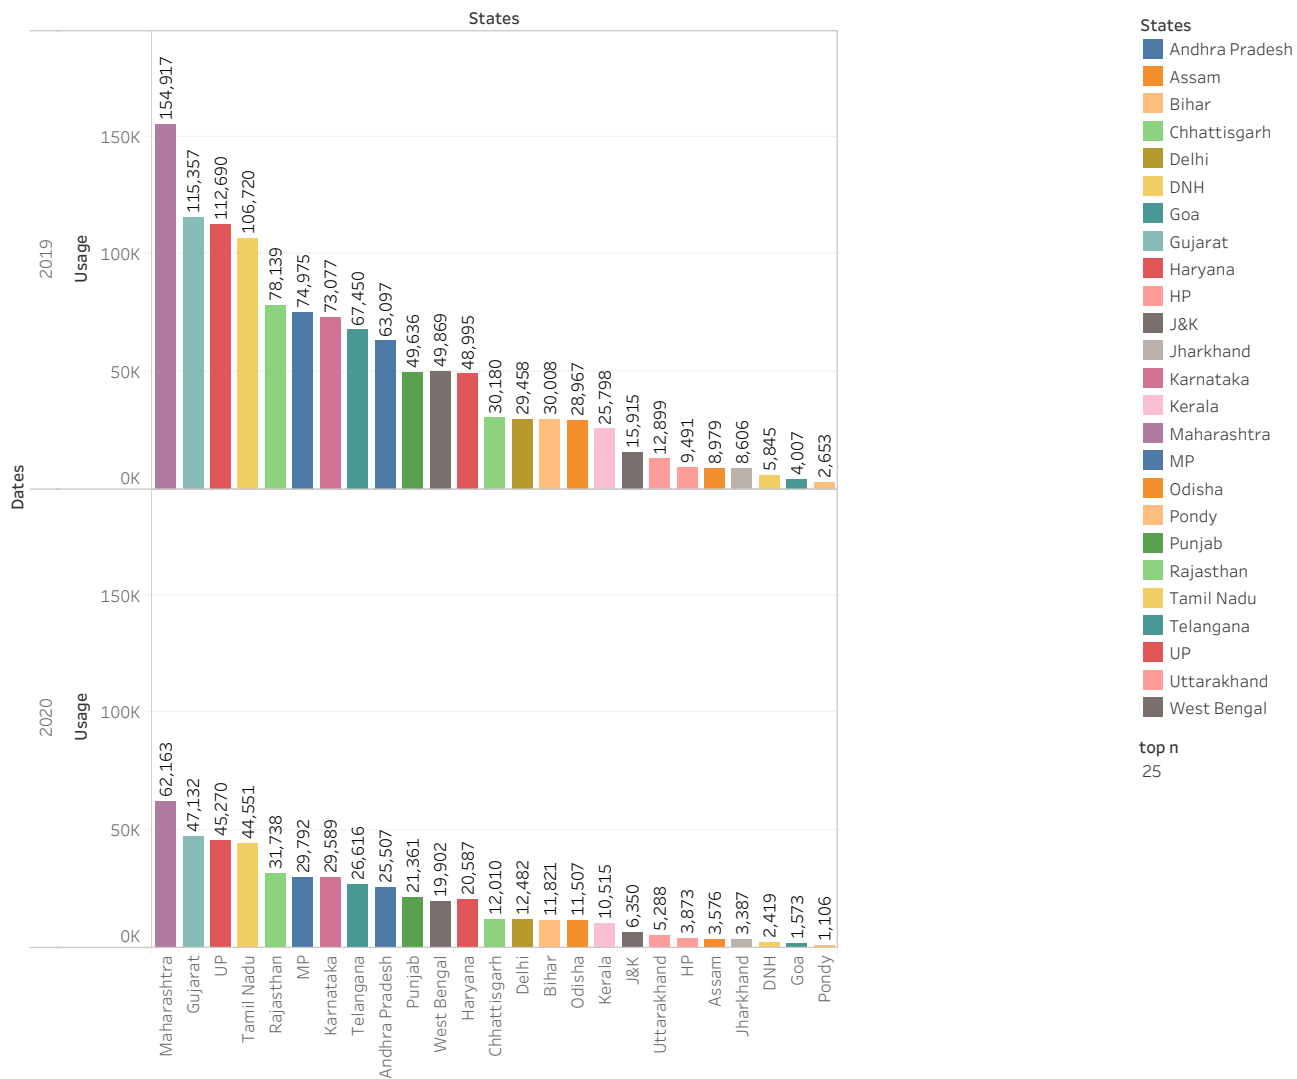

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

It shows you that the electricity consumption by Region.

By this you can find out the top electricity consuming states in India.

By this you can find out the less electricity consuming states in India.

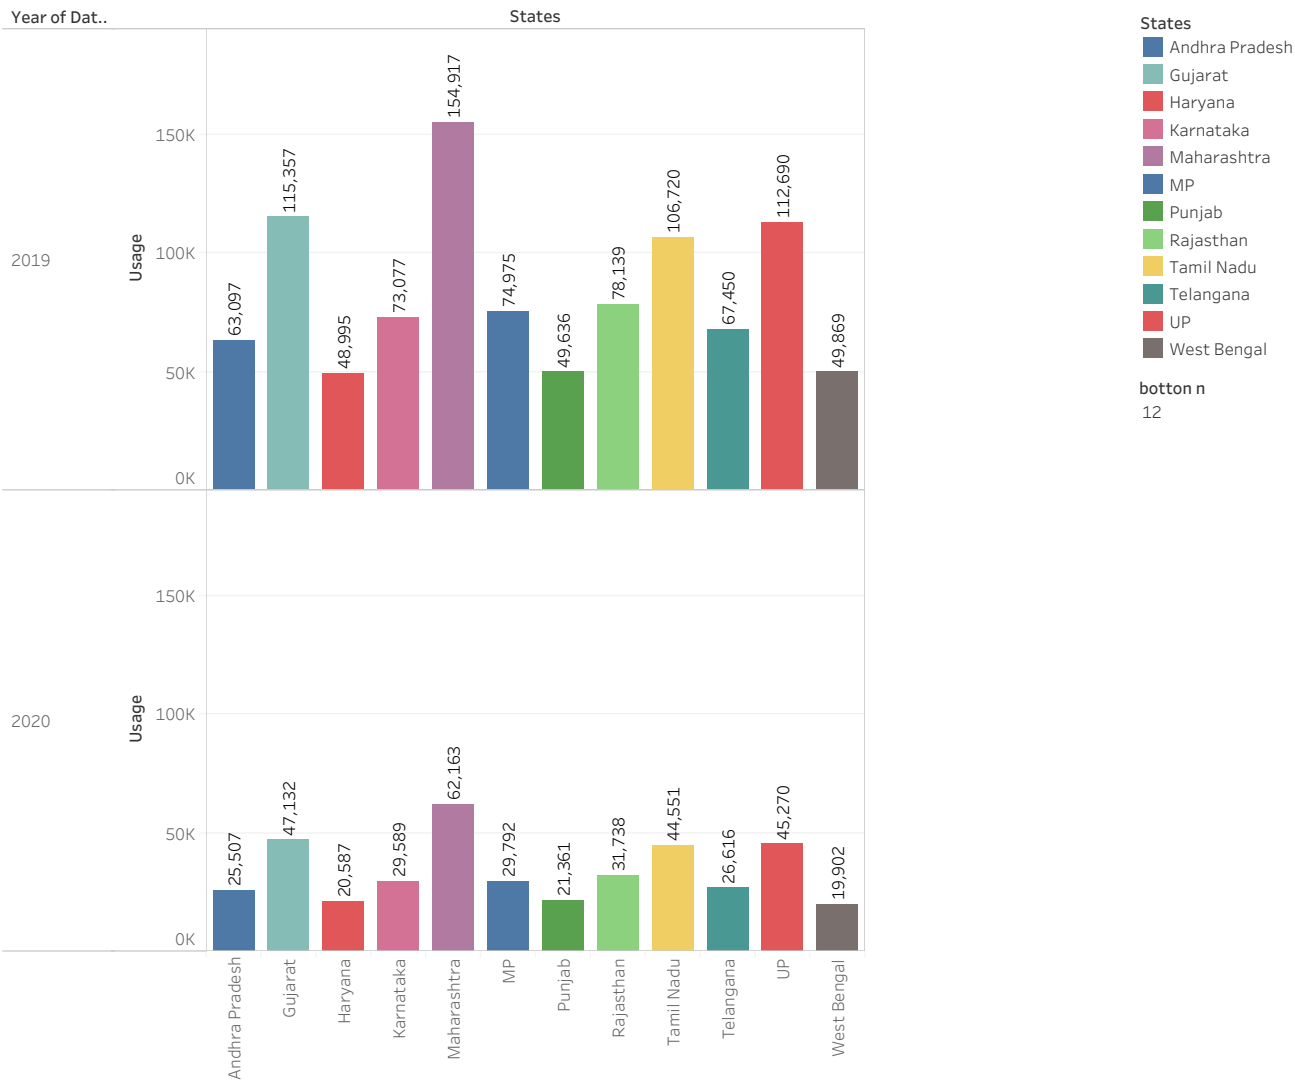

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

By this you can find out the top electricity consuming states in India.

By this you can find out the less electricity consuming states in India.

It shows that 2019 Month wise electricity consumption in India.

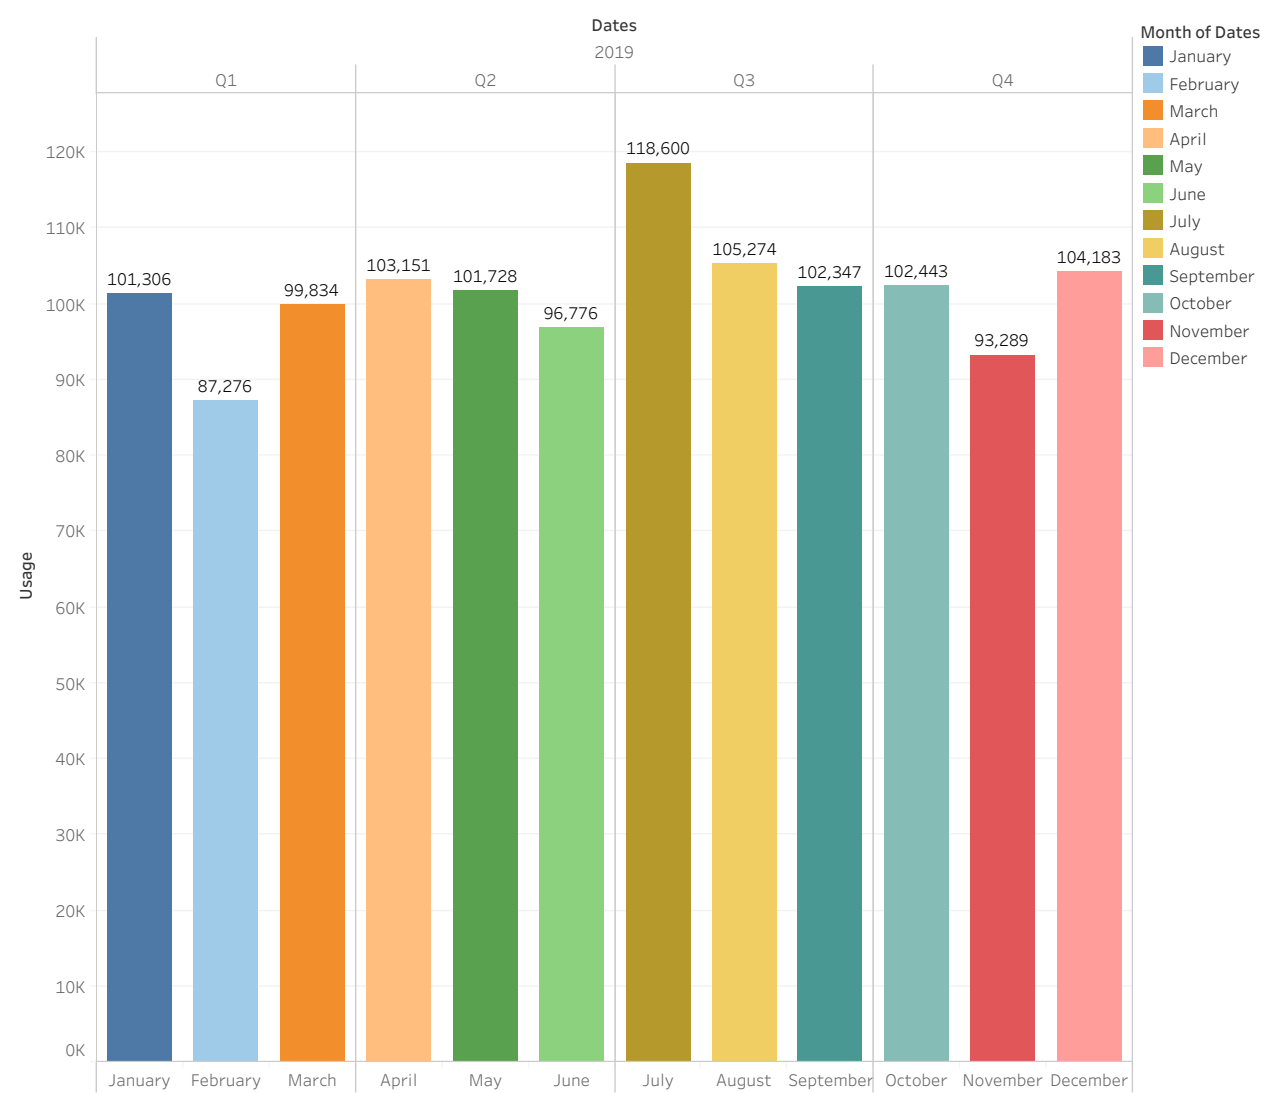

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

By this you can find out the less electricity consuming states in India.

It shows that 2019 Month wise electricity consumption in India.

It shows that 2020 Month wise electricity consumption in India.

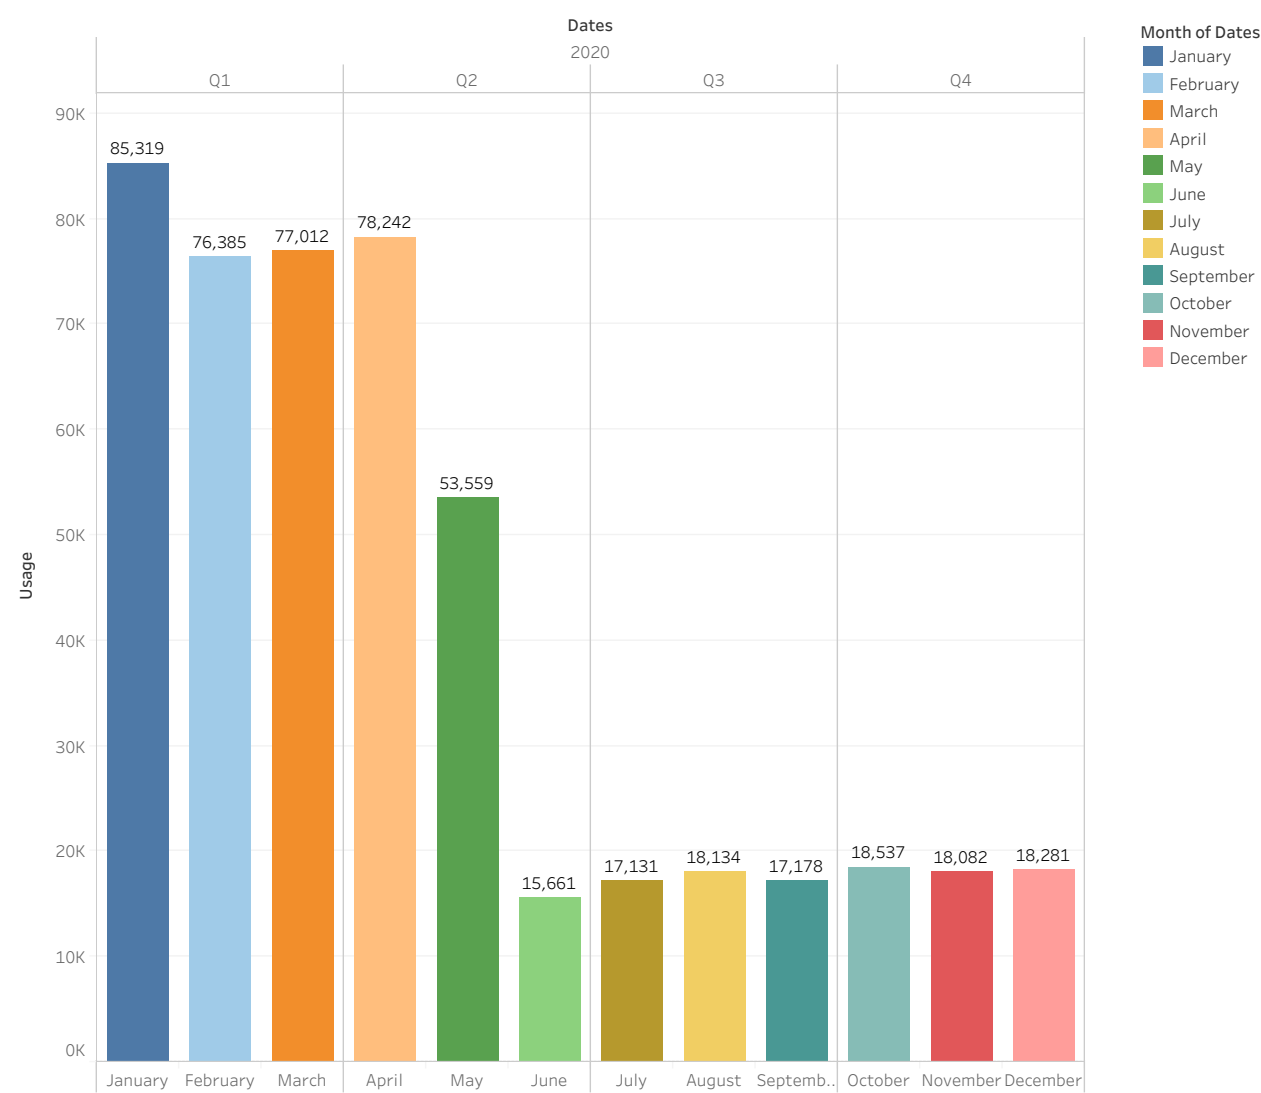

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

It shows that 2019 Month wise electricity consumption in India.

It shows that 2020 Month wise electricity consumption in India.

It shows total Region Consumption of electricity in 2019 & 2020.

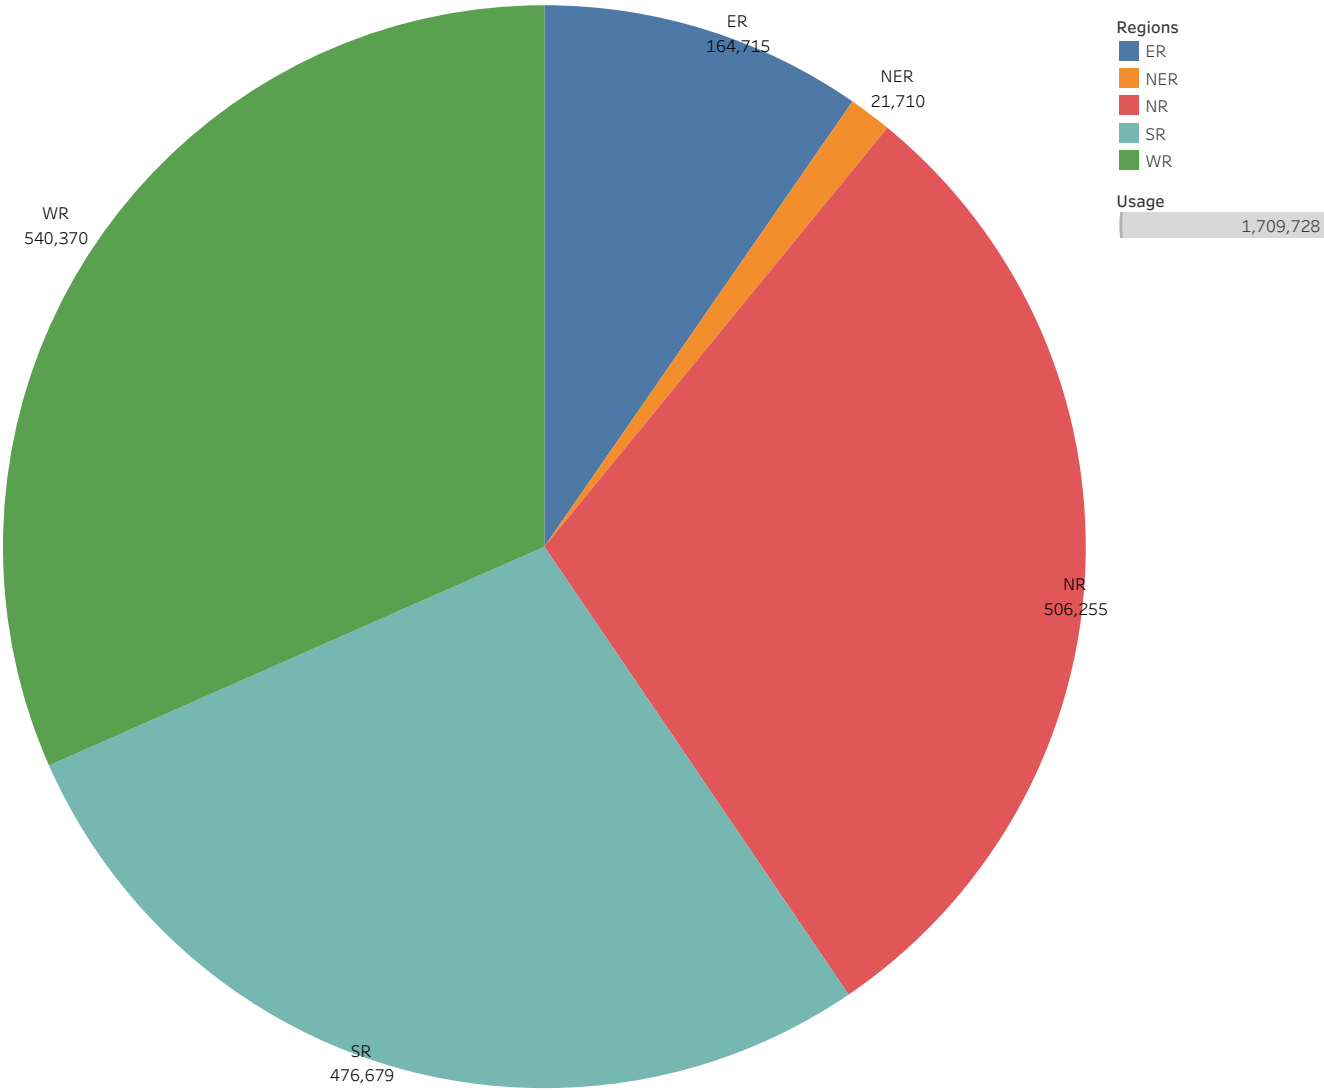

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

It shows that 2020 Month wise electricity consumption in India.

It shows total Region Consumption of electricity in 2019 & 2020.

Here you can see the electricity usage before and during Lockdown.

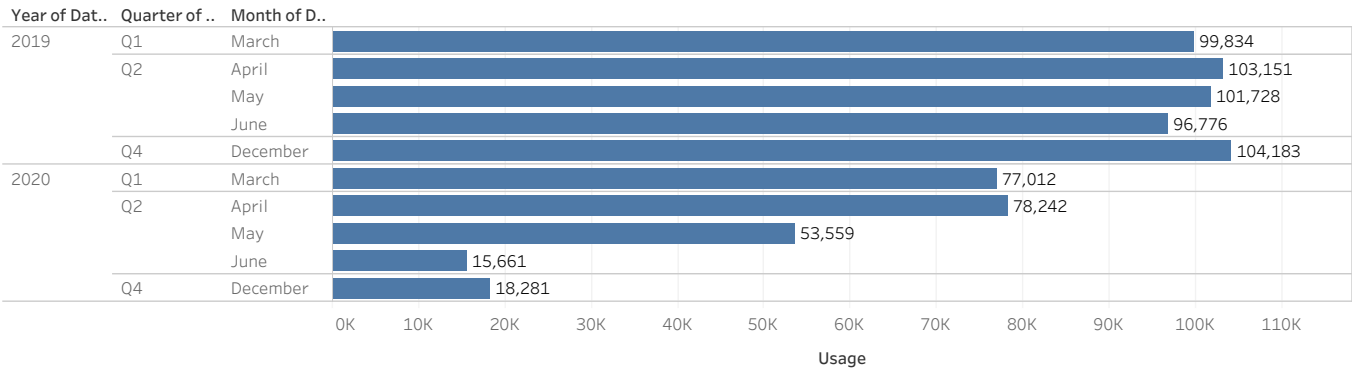

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

It shows total Region Consumption of electricity in 2019 & 2020.

Here you can see the electricity usage before and during Lockdown.

It showus the month wise Top consumption i 2019 & 2020.

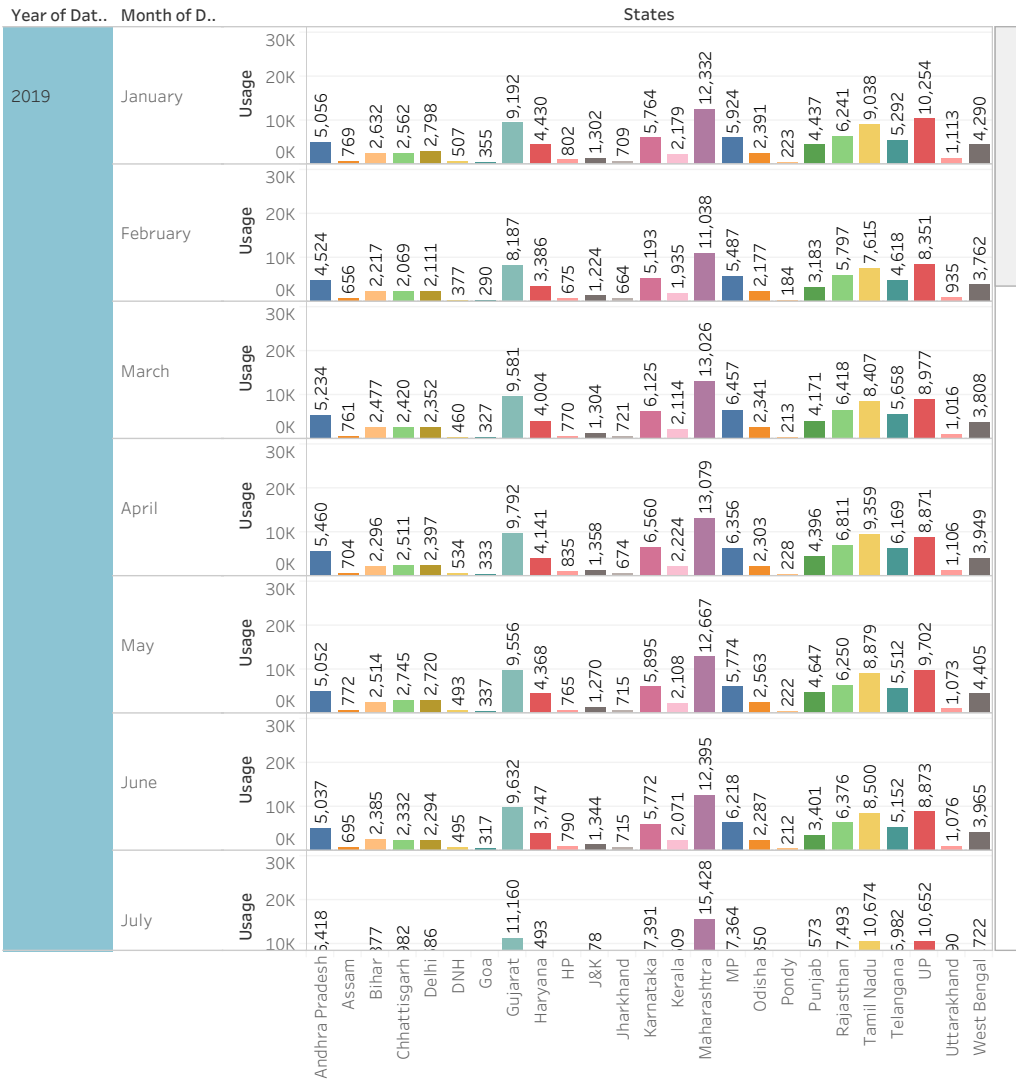

Story on Plugging into the Future : An Exploration of Electricity Consumption Patterns

Here you can see the electricity usage before and during Lockdown.

It showus the month wise Top consumption i 2019 & 2020.

By this you can understand the region wise state consumption in 2019& 2020.

- States
- Andhra Pradesh
 - Assam
 - Bihar
